## resources

The new Otto Collection from CHAJO is an ottoman-inspired line of distinctive, multifunctional pieces. The Otto "Cyclone" has a surface of 100 million-year-old petrified Sycamore set in solid walnut, and a body covered in chocolate Bison hide. \$3,350. Chajo is also represented by the Dunkirk showroom in the San Francisco Design Center. 707.257.3676. [www.chajo.com](http://www.chajo.com)

The opulence of silver paired with exotic elements lends sensuous sparkle to gift-giving, thanks to Balinese designer WARISAN. The condiment set made from Buffalo horn with silver legs and spoon, \$85, makes an unusual yet elegant gift. Los Angeles, 323.938.3960. [www.warisan.com](http://www.warisan.com) ■
