Napa Valley, Calif.-based Chanin Cook and Jonathan Edie's **Bowed Console** boasts 50-million-year-old fossilized limestone set in solid bloodwood. A handcrafted iron base and bowed legs with black acid patina and clearcoat finish complete the table shown here; other styles are available in various woods and metal finishes. The table pictured retails for \$4,600. [www.cdfstudios.com](http://www.cdfstudios.com).
